PROPERTY DESCRIPTION

Unbelievable options with this home!! Either it can be a 5 bedroom, 2 bath home with a second kitchen in the basement or it can be used as a rental or better yet, live on the main level and rent out the basement with 2 bedrooms and 1 bath to off set your expenses. No matter what you want to do this home is GREAT! Fall in love with the cute lay out inside. The original hardwood is easy to maintain and fun to use in the decor of the home. Even easier care for a rental!! The corner lot is large, with quite a bit of privacy. The extra deep 2 car garage is well insulated. Come see the possibilities for yourself!! Give us a call today.
