PROPERTY DESCRIPTION

What a great starter home! Go up the spiral staircase in style to the attic bedroom with a skylight. The main floor features hardwood, tile and newer carpet. The bathroom has plenty of room for more than one. Great looking tile for the tub surround. Laundry is off the kitchen on the main floor. In the backyard is a pond/fountain. The backyard also backs up to the city swimming pool and park! There is even a 2nd kitchen located off the garage next to the patio. Great for those summer cookouts!!
